Rev. Shoko Aminaka  
General Secretary  
National Christian Council in Japan

Dear Rev. Shoko Aminaka,

The Hong Kong Christian Council sends its deepest sympathy and prayers after the serious earthquake last night in the Kumamoto area in southern Japan. We know that some have died, hundreds have been injured, and many buildings and infrastructure have been destroyed or damaged. As the aftershocks continue, the people are still living in fear as they seek safety and try to care for family and neighbors. The trauma is not over.

Please know that your brothers and sisters in Christ in Hong Kong lift you up to our merciful God for comfort and aid especially those grieving the loss of loved ones and the seriously injured in hospital. In times like these, we stand together as the body of Christ knowing that whatever hardship or distress or peril we face, nothing can separate us from the love of God in Christ Jesus our Lord.

May God give you strength and wisdom as you minister and witness among your people in Japan in the days ahead.

In the peace of Christ,

Rev. Po Kam-cheong  
General Secretary
